**REGIONS
& CITIES**

**European Week
Brussels 7-10 October 2019**

**Regions and cities,
pillars of the EU's future**

The graphic features a teal background with white line-art illustrations of a city building, wind turbines, a classical building, a person on a laptop, a train, and a person on a laptop. A red banner with the text "#EURegionsWeek" is positioned above the central illustrations. The year "2019" is written in white. A QR code is located in the bottom right corner of the graphic area.

CRE:HUB
Interreg Europe

CRE:HUB aims at supporting the creation and development of new SMEs in the cultural and creative industries (CCI) sector at regional and national level through fruitful cooperation among regions with different capacities and experience in CCI support policies.

Featured project

Every month, we feature one of our projects. Take the opportunity to learn more about one working on cultural and creative industries. [>>>](#)
