**Emne:** INVITATION: IC Webinar with BOFA on circular economy and waste management

Dear Ms GROSBØLL,

As you may be aware, the CPMR Islands Commission is organising on **23 November (15.00-17.00 CET)** in cooperation with **BOFA** (Bornholm's Waste Management Authority) a webinar on the **"Opportunities for the implementation of full circular economy models through waste management in islands"**.

Please find attached the **Agenda** with the confirmed participation of **Ms Cutajar, MEP, and Ms Drake, Deputy Director General at DG Environment**.

The webinar will provide participants with inputs from the European Institutions on the new European Commission Action Plan for Circular Economy and the crucial role played by circular models to recover from the crisis, engage a green transition and boost growth and jobs in European Islands through best practices for Bornholm.

We hope that you will be able to participate.

Please feel free to disseminate the information to interested and involved persons within the Municipality. Here is the link for the **registrations** (the final Agenda and link TEAMS to join the online meeting will be sent a few days before the webinar).

I remain at your disposal should you require any further information,

Kind regards,

**Giuseppe Sciacca**

Executive Secretary of the CPMR Islands Commission
